

## ALGARVE GOLF COURSES

Hierna volgen alle golfterreinen die momenteel in de Algarve te vinden zijn. Naar verluidt zijn er nog een paar nieuwe in aanleg.

We geven telkens de afstand van Salema mee en rangschikken ze dan ook in die oplopende volgorde. Omdat golfterreinen al eens in het midden van nergens durven liggen, geven we er ook de GPS-coördinaten bij. En – waarom niet – meteen ook de links naar de websites van de verschillende courses/clubs/resorts. For your comfort...

Overigens horen de foto's niet noodzakelijk bij de course waarnaast ze geplaatst werden. Misschien een quiz-ideetje...
